## **2018 HAH GOLF CLASSIC**

*Join your friends for a day of fun  
and benefit a good cause*

It is not often that we have an opportunity to spend a summer day outdoors playing with friends and doing good works at the same time. But here is your chance. On July 11, Brunswick Golf Club is hosting a fundraiser for HAH that will do just that. Beginning with registration at 11:30 AM, groups will assemble for 18 holes of golf. Play will begin at 1:00 PM with a shotgun start. The event will include several on course games and play options, and prizes will be awarded.

Following the golf, the fun continues with McAvoy's on the Green restaurant and club opening at 5:00 PM with a cash bar for non-playing guests. At that time you will be able to explore and bid on the silent auction offerings available.

The festivities continue at 6:00 PM with a buffet dinner. Following the meal, the live auction begins. There will also be announcements of winners of the golf events and the winning silent auction bids. All in all, a festive and fun day is planned. Tickets are \$100 per golfer for golf, cart and dinner and \$40 per dinner guest. Tickets will go on sale on May 11. Watch the local papers and look for posters around town for contact information.

## Volunteer Spotlight

### Lois Hale

Volunteers are what make HAH work. This issue we are shining the spotlight on Lois Hale, event photographer. If you have visited the web page or Facebook, you have seen some of her photos picturing Lunch with Friends and the recent Cabin Fever Breakout at Cook's Lobster and Ale House. We asked her to come out from behind the camera to tell us a little about herself. She and her husband moved fulltime to Harpswell in 2013 after vacationing here for many years. She was drawn to Harpswell by the beautiful natural surroundings and the friends she had made. It was a big change from Odessa, TX and she is glad to be here. Like most Harpswell residents, Lois hopes to be able to remain in her home and age in place. So involvement with HAH is a great way to contribute. HAH is grateful to have her efforts. Thank you, Lois.

**Need a ride or know someone who does? Call...**

**Volunteer Transportation Network for Harpswell Residents**

Lili Ott, an HAH volunteer is pictured above with her rider, Peter Coughlan. She began driving for the Volunteer Transportation Network (VTN) two years ago, and she and Peter have become fast friends. According to Lili, they hit it off from the very beginning when they discovered they had both grown up in the Hudson Valley. And the connection grew when they figured out that Lili's father-in-law was the minister at All Saints' Chapel on Orr's Island and had married Peter and his wife in 1959. Lili says there are lots of great riders and they are all interesting,

So don't be shy about calling People Plus to sign up for rides. Perhaps you would you like to attend a Lunch with Friends but lack a way to get there. Or maybe you need a ride to a medical appointment or the grocery store or you want to visit with a friend. Even if you own a car and are temporarily homebound, you can call for a ride. To sign up for the service, call 729-0757. A neighbor and perhaps a new friend will be happy to pick you up.

Go to the People Plus website [www.peopleplusmaine.org](http://www.peopleplusmaine.org) for more information on how you can become a driver. It's a great way to get to know more of your neighbors and maintain our reputation as a community that looks after each other.
